

On 10 June 2009, Lord David Puttnam addressed over 200 guests at Birmingham Hippodrome as part of Platform Alteration, hosted by Screen WM in association with 4iP and Creative Networks. His inspiring keynote speech was followed by a lively discussion about games and cross sector collaboration from an expert panel made up of Alice Taylor, Commissioning Editor Education at Channel 4, Pete O'Donnell, Director at Codemasters, Jamie Sefton Sector Manager at Game Republic, Pip Piper, Chair of Producers Forum, Alex Chapman, Sheridan's Solicitors with John Kirk, Head of Business Partnership and Knowledge Transfer at BCU as the chair.

A video of Lord Puttnam's speech will be available at www.screenwm.co.uk and you can see notes from the panel discussion here http://www.screenwm.co.uk/blogs/detail/458/notes_from_the_platform_alteration_panel/
