The background of the poster is a vibrant, abstract composition. It features a central sun-like motif with a bright yellow and white core, surrounded by concentric circles and radiating lines in shades of red and orange. The sun is partially obscured by a large, stylized palm tree silhouette. Several white birds are depicted in flight against the red background. The overall aesthetic is energetic and summery.

Summer Party @ The Custard Factory

The West Midlands' most successful networking event is coming to Rooty Frooty at The Custard Factory for its 2007 summer party. Kicking off at 7.00pm we're inviting creative professionals from across the region to join us for live music, hot barbecue food and drinks.

The event is free, however places are limited so RSVP is essential. If you would like to join us, please email Scarlet.Scardanelli@tic.ac.uk or call her on 07969 226 693. Alternatively, you can register by visiting our portal at www.creativenetworksonline.com

You'll be very welcome.
