Creative Networks unlocks the Secrets of Success

Have you ever wondered why some people seem to have the secrets of success? They make things look easy and always seem to be in the right place, at the right time. But their success is no accident, they follow a definite plan.

The keynote presenter at June's Creative Networks event is the 'inspirational educator', Chris Williams. He will focus on personal success planning, which will help you to realise your full potential and ensure that it's you who's in the right place, at the right time, with the right things to say.

Chris has over 30 years of business experience, including a very successful sales and marketing career, as well as the creation of a multi-million pound company supplying productivity improvement solutions.

To join us for this FREE event, please email creative.networks@tic.ac.uk or call Scarlet Scardanelli on 0121 331 5400 or 07969 226 693. Alternatively, register online at our portal at www.creativenetworksonline.com
